

Department of the Interior,

PENSION OFFICE,

Sherman, Texas, Nov. 16, 1885.

Sir

I will thank to state, if you have a personal knowledge of the wounding of James G. Montgomery of Co. C. of your regiment, during the late war, by Baz Morgan, and if you saw, or know how and when it occurred; so that I can judge whether it will be necessary for me to come to Paris, to take your testimony which is needed in the Pension claim, of Comrade Montgomery, which I am trying to examine

Your reply, endorsed on the back of this letter, promptly and returned in the enclosed envelope, will be esteemed a favor and fully appreciated.

Very respectfully,
G. P. Hopkins,

Special Examiner

To Mr. David McClanahan,
Paris, Lamar Co,
Texas.
