Mr. Willison Rule  
Knoxville, Tenn.

Kind sir; I'm writing  
you for information in regard  
to Parthenia Montgomery's death  
and also to the drawing of her  
money which was due her at the  
time of her death. She was  
a widowed union pensioner  
drawing \$12 per mo. and died  
Oct. 13, 1912. I would want to  
know what steps to take to  
draw her money for her burial  
expenses etc. She being her  
son in law with whom she has  
been living
